Winners of 'Gaelchara' grant award announced at special event.

The winners of the 2019 'Gaelchara' grant scheme were announced at a special cermeony in Café Batch, Falcarragh on Wednesday 29th of May last. Seven bursaries were presented to fourteen individuals.
Gaelchara is an innovative and novel scheme that aims to give Irish-language learners living in Cloich Cheann Fhaola an opportunity to practice Irish as a living, every-day, community language. Through the scheme, the Irish-language learner is given an opportunity to improve his or her spoken Irish by participating in a day-to-day activity or pastime in the company of a native speaker (his or her Gaelchara) in a Gaeltacht setting over a ten-month period. Among the pastimes and activities chosen by this years winners are: training for a triathalon; devising a theatre performance as Gaeilge; organic farming; ecclesiastical study; painting outdoors and learning sean-nós singing.
